# **Affected by cancer? We're here to help**

**If you live or work in Newcastle or North Tyneside we offer free, one-to-one support for anyone affected by cancer including family and carers.**

## **We have**

- someone to talk to who knows what you're going through
- someone to go to treatments with you
- someone to help you get your social life back on track
- someone to help you find information
- someone to help you face the future if you've lost someone you love
- support groups and events.

## **Got some time to GIVE? Join our team of volunteers.**

There are lots of different ways you can be involved. We provide full training and ongoing support.

If we can help **you** - or if **you** can help us, please call
